Subject: Support for I-15 at Cactus Avenue Interchange Project

Dear Mr. Cederberg,

On behalf of the Regional Transportation Commission of Southern Nevada (RTC), I would like to extend our support of the I-15 at Cactus Avenue Interchange Project and to Clark County Public Works and their submission of a grant application for consideration of funding through the TIGER Discretionary Grant Program for this project.

Clark County Public Works has undertaken the planning and design efforts for this the I-15 at Cactus Avenue Interchange Project over the past several years and it is included in the RTC's Regional Transportation Plan. The RTC believes that this project will improve mobility in the region and will contribute towards economic recovery in the Las Vegas Valley. As a result, the RTC views the I-15 at Cactus Avenue Interchange Project as a strong candidate for funding under the TIGER Discretionary Grant program.

The RTC would like to extend its willingness to work with Clark County Public Works during the development of this project and the grant application. If I can be of any further assistance, please contact me at (702) 676-1505.

Sincerely,

A handwritten signature in cursive script that reads 'Jacob L. Snow'.

Jacob L. Snow
GENERAL MANAGER
